For the benefit of children, the Board of Education believes that parents have a responsibility to encourage their child's career in school by:

1. Supporting the school in requiring that the children observe all school rules and regulations, and by accepting their own responsibility for children's willful in-school misbehavior.
2. Sending children to school with proper attention to their health, personal cleanliness and dress.
3. Maintaining an active interest in their child's daily work and making it possible for the pupil to complete assigned homework by providing a quiet place and suitable conditions for study.
4. Reading all communications from the school, and signing and returning them promptly when this is required.
5. Cooperating with the school in attending conferences set up for the exchange of information on the child's progress in school.
