

Franklin Borough School's (FBS's) first priority is the security and safety of its student body. This includes the publication of "personally identifiable information." FBS believes it is important to recognize deserving students and publicize their achievements. FBS occasionally publishes this information on the school and/or district's public Internet site, social media page(s), the school's YouTube channel and in the newspaper. Bill A592 prohibits dissemination of personal student information on the Internet without parental consent.

PARENTAL/GUARDIAN IMAGE RELEASE CONSENT FORM

This parental consent form serves to both inform you and request permission for your child's photo/image to be published on the school and/or district's public Internet site, social media page(s), the school's YouTube channel and in the newspaper.

There are potential dangers associated with the posting of personally identifiable information on a website since global access to the Internet does not allow FBS to control who may access such information. These dangers have always existed; however, we at FBS do want to celebrate your child and his/her work/accomplishments. The law requires that FBS ask for your permission to use information about your child.

Pursuant to law, FBS will not release any personally identifiable information without prior written consent from you as parent or guardian. Personally identifiable information includes student names, photo, or image.

If you, as the parent or guardian, wish to rescind this agreement, you may do so at any time in writing by sending a letter to the Chief School Administrator at FBS, and such rescission will take effect upon receipt by the school.
