

Seventh Grade Summer Reading Assignment

Congratulations! You are now seventh graders! This summer, you will choose a historical fiction novel; of course, you will have to get it from the Sussex County Library. Please be sure that it is grade-level appropriate.

After you have finished reading the novel you selected, please complete the following assignment:

Think of an item that would be important to a person living in the time period in which the novel takes place. Illustrate the item, and compose a paragraph explaining what the item is and why it would be important. The paragraph should be at least eight sentences long.

Please do this for five items! You will be handing in five pages, with five illustrations, and five paragraphs.

Please bring the assignment on the first day of school; it will be your very first grade of the year!

Have a great summer!
