Kindergarten:

“It Ain’t What It Used to Be!”

A Hands-on Parent Workshop

Please join us for a parent meeting to discover what kindergarten at Franklin School is all about!

Where: Franklin School Library

When: Thursday, May 25, 2017

Time: 7:00 p.m.

Light refreshments will be served.

This workshop will highlight the academic expectations that are in place for our kindergarten students. The New Jersey Student Learning Standards (NJSLS) define early literacy and mathematics skills as the focus of our curriculum. In order to give your child a head start on learning, we will provide simple activities for you and your child to engage in during the months leading up to the much-anticipated first day of school. You will leave the meeting with an overview of the skills that will be taught as well as ideas, games, songs, and rhymes to help your child be ready to learn in September.

We certainly hope that you will be able to join us for this workshop. Please **R.S.V.P. by May 19th to Mrs. Mangine at 973-827-9775 ext. 211** to let us know whether you can attend. We want to be sure to prepare enough materials for all our participants.

Please note: This a meeting for parents – no activities are planned for children. Fun and games are planned for your children at their kindergarten orientation this summer.

We look forward to seeing you soon!

Sincerely,

Patricia J. Pfeil

Patricia J. Pfeil, Ed.D.

Principal
