

2013-2014 HSA Volunteer Sign-up Sheet

Many Hands Make Light Work

In order to run our HSA programs, we depend on parent volunteers. Please select the committees or events below which you would be interested in assisting with for this year. We will provide this information to the individual chairpersons so they have a list of interested parents they can contact for their event. If you want more information on any of these programs, feel free to contact any office, as listed in the school calendar, on our school website or find us on our Facebook page.

We know we are asking for help in advance for the upcoming events. This is necessary for planning. These sheets are our way of knowing that you would like to help. We understand your schedule may change, and that is OK! Please be sure to return this sheet to your child's teacher as soon as possible. Thanks for your help and support!
