

POLICY

For the purposes of keeping the community informed, the Board authorizes the Principal to coordinate and oversee a school district website to be maintained on the Internet. All items to be posted on the website shall be approved by the Principal, or designee, prior to posting. In the event that the Principal finds certain material that is submitted to be posted, should not be posted, the Principal shall seek approval of the Superintendent prior to posting such material. In the event the Superintendent, upon review of the material from the Principal, believes the material should not be posted on the website, the material shall not be posted.

The types of information that may be posted on the website include, but are not limited to:

- Selected Board of Education policies
- Selected Board of Education regulations
- School Administration Information
- and any other information the Superintendent determines appropriate for posting on the website.

Materials containing political or editorial points of view shall be prohibited from the website.

The Board and Superintendent shall periodically evaluate the effectiveness of the school district website and this Policy.
