

Franklin Borough School District Goals 2024-2025

GOAL #1: Provide a well-rounded program that is based on student need.

OBJECTIVES:

1. Continued collaboration with schools in our region to align our use of student data to further align our curricular programs, develop a shared curricular vision, and enhance student achievement.
2. Enhance the current academic offerings with
 - Opportunities to challenge learners
 - interventions to further support student needs/deficiencies.
3. Encourage and highlight learner-active, inquiry-based opportunities throughout the curriculum.

GOAL #2: Provide programs and a system of support for students and staff that promotes an environment of health and wellness.

OBJECTIVES:

1. Leverage community partners to offer social emotional experiences to members of our school community
2. Implement school-wide Social Emotional Learning (SEL) practices to enhance students' social, emotional and academic learning.
3. Provide opportunities for staff to cultivate their own social, emotional, and cultural competence, collaborate with one another, build trusting relationships, and maintain a strong community.

GOAL #3: While being financially responsible, Franklin School will provide students a safe learning environment with resources to enhance the learning experiences.

OBJECTIVES:

1. To enhance and restore school facilities to better meet the needs of the school community within our current budget.
2. Create and maintain a technology plan that outlines the replacement of current technology within the district.
