Dear Franklin Borough School Families and Staff,

This letter is to inform you that a student has tested positive for COVID-19. All close contacts have been identified and begun their quarantine.

Franklin Borough School is in communication with the Sussex County Department of Health regularly for guidance, and required health & safety protocols are being followed.

Please continue to be vigilant and cautious with your activities. If your child is not feeling well, please keep them home and contact the school nurse for further guidance. If another member of the household has any COVID-like symptoms, your child should stay home from school if she or he is not vaccinated. If you believe your child may have COVID-19, contact his/her primary care doctor for instructions.

Please know the health and safety of our students and staff is the top priority. You may reach me at 973-827-9775 ext. 7212 or via email at [jrgiacchi@fboe.org](mailto:jrgiacchi@fboe.org) if you have any questions.

Thank you for your continued support.

Stay well,  
*John R. Giacchi*
